

— WELCOME —

THE SUNDUNE

WELCOME!

My name is Eann. I chose hospitality over a Tesla, and I haven't looked back. (Truly - it was that specific a decision.)

I'm a software engineer in Culver City and a surfer most mornings before the office. The Sundune is the property I built for guests who move the same way - active during the day, cocktail-chill by evening, with no fixed itinerary.

The Sundune is one of four properties in the Palm Springs area. If you want a local's take on where to eat, what to skip, and how the valley works, the blog at indigopalm.co is where I put all of it.

Everything you need is in here. Reach out anytime.

THANK YOU FOR UNDERSTANDING

PALM SPRINGS GOOD NEIGHBOR BROCHURE

Palm Canyon Villas is a residential community.
This is how the city asks us to show up for it.

HOW MANY IS TOO MANY?

Please check with the person who rented you the unit as to the maximum number of overnight occupants and the maximum number of daytime occupants permitted to stay there. Limits have been established for both.

Compliance with these rules will assure that you and your neighbors will both enjoy your stay. We're glad you're here!

WHAT ELSE SHOULD I KNOW?

It is important to be a good neighbor – whether you're at home or on vacation. Please keep in mind that you may be cited or fined by the City, or even evicted by the owner, for creating a disturbance or for violating other provisions of the City's Vacation Rental Ordinance. The surrounding neighbors have been given a 24-hour number to call should they need to file a complaint.

Good Neighbor Brochure

For Vacation Rentals

CITY OF PALM SPRINGS

WELCOME TO PALM SPRINGS

Palm Springs is world-famous for the special welcome people experience here while on vacation. We are pleased you have chosen to spend your vacation in our City. There is so much to see and do. Or, if you choose, just sit back, relax and do nothing at all.

Like many of our visitors, you have decided to rent a house or a condominium for your own special experience. That's great. There are many benefits to doing that.

Perhaps the greatest benefit is the pleasure of residing – even for a short stay – in one of our residential neighborhoods. You will be among many permanent residents who value the look and feel of a quiet and safe place to live. They, and the City, will look to you for your help in preserving that special sense of peace and quiet. In short, being a vacation renter also means being a good neighbor.

WHAT YOU NEED TO KNOW

This brochure is intended to highlight a few ways you can be a good neighbor during your stay in Palm Springs.

WHO'S MAKING ALL THAT NOISE?

Please do not create noise or disturbances or engage in disorderly conduct. Consider how you would want your neighbors to behave in your own neighborhood. Chances are your Palm Springs neighbors will expect the same of you while you're here. A little consideration goes a long way.

Keep in mind that amplified music is not allowed outside of your vacation rental unit. So, please, don't bring the speakers outside and crank up the music, even if you think everyone will enjoy your excellent taste in music.

A call from the neighbors to the City will bring the Police to your door. So please, keep the noise down. Our officers can issue you a citation if you violate the City's noise ordinance.

WHOSE CAR IS THAT?

Please, also be mindful of where you park. Park in the garage, on the driveway, in your assigned space or as close to where you are staying as possible. But in any case, don't block anyone's driveway. Your car could be towed.

PUPPY LOVE

Palm Springs requires that all dogs be on leashes whenever they are outside, except in the City's Dog Park. Also, we expect everyone to pick up after their pet. Never leave your pet unattended in a vehicle; it is illegal all year long. And just like at home, a barking or whining dog disturbs the neighbors.

WHOSE TURN IS IT TO TAKE OUT THE TRASH?

Palm Springs residents recycle as much as they can and we hope you will too. If you have a blue recycling cart where you are staying, please use it to recycle metal, paper, glass and plastic products.

Please do not store trash and refuse within public view, except in proper containers for the purpose of collection. If you are staying in a house, Palm Springs Disposal Services will pick up your trash and empty your recycling cart on your scheduled collection day(s). Please do not leave trash or recycling at the curb.

MAKE IT A MOMENT

Simple ways to make the most of your time here.

TIP #1

SET THE VIBE BEFORE YOU ARRIVE

Tap into some desert vibes. Put on a playlist and let the desert do the rest.

TIP #2

ONE WORTH THE DETOUR. ADD OUR CURRENT FAVE TO YOUR ITINERARY

Visit El Paseo Shopping District where global brands sit next to indie boutiques you won't find anywhere else. Grab a famous Wilma & Frieda pop tart, or dinner off Palm Canyon.

TIP #3

PREPARE FOR A TOAST (AS IN, BREAKFAST)

SWEET FIG: toasted ciabatta topped with ricotta. Sprinkle on a dash of cinnamon and freshly grated parmesan. Add a layer of fresh sliced figs. Finish with a drizzle of honey + fresh basil + chopped pistachios.

SAVORY MUSHROOM: toasted ciabatta brushed with extra virgin olive oil and topped with mashed cannellini beans, seasoned with salt. Layer on sautéed cremini mushrooms, and top with sautéed red onion. Finish with cracked pepper.

ARRIVAL INFORMATION

Check-in time is 4 pm.

If you are arriving early, head to Cartel Coffee on Palm Canyon and grab a pastry

1 CHECK IN

Your door code arrives at least 24 hours before check-in. It works from 4 pm arrival day through 11am checkout.

2 PARKING

Five parking lots on the property - yours is #5. Look for carport #555. Guest spaces G572-578 are also in lot 5 if you have a second car. I've never seen all taken, but Waverly Dr has street parking if needed.

3 NOISE REMINDER

The community has a strict noise curfew at 10pm. That includes bluetooth speakers on the patio. Neighbors will report and the city fines are real.

4 WIFI & TV

Each TV has Roku. Netflix is included. Bring your own login for everything else.

Wifi network: Indigo Palm Collective

DRIVING DIRECTIONS

GPS sometimes routes to Highway 111 instead of the lot.
Turn at the Golf Club Drive traffic light to enter Palm Canyon Villas.

WHERE TO PARK

Lot #5. Carport #555.

Address: 5301 E Waverly Dr, #184, Palm Springs, CA 92262.

**Our Address: 5301 E Waverly Dr.,
#184, Palm Springs, CA 92262**

GUEST PARKING

There are also guest parking spaces labeled G572-578. I have never seen those all taken, but if they are, street parking is available along the whole street of Waverly Dr.

Hot tip: There is also guest parking in parking lot #4.

These spaces are a bit closer to the unit. My go-to when I'm hauling bags.

AFTER YOU PARK

After you park, it is about a 5 minute walk to the unit. From the parking spot (#555), take the left-most path going into the community. The dumpster is the start of that path. Continue until you see the sign for unit #184, turn right, and go up the stairs and the unit is on the left side.

ENTERING THE CONDO

Open the black screen door (it's unlocked). Enter your 4-digit code on the blue door keypad. It should unlock automatically. If the keypad is dark, press the bottom left corner to light it up. Don't tap anywhere else first. Schlage counts any touch as a keystroke. If your code doesn't work, wait a moment and try again.

Open the black screen door (unlocked)

To unlock the door, type in your 4 digit code on the Schlage keypad. The door should automatically unlock.

Tap the bottom left hand icon to light up the keypad

To lock the door when leaving, press the lock icon

Once you open the door, lights are on the left hand side, along with the pool key.
